

## PRESS RELEASE

Issued: 10<sup>th</sup> September 2013

For Immediate Release

### Dr Xavier G. Medi-Spa Clinic (Southampton) shortlisted as finalist in 5 top industry award categories!

Dr Xavier's medical cosmetic, hair and weight loss clinic on Queens Terrace, Southampton has been shortlisted in no-less than 5 award categories at this year's Aesthetic Awards to be held in London in December.

The award categories are;

- **Best UK Aesthetic Clinic (four rooms or more)**
- **Best Aesthetic Practitioner (for Dr Xavier)**
- **Best Aesthetic Nurse Practitioner (for our senior nurse Elizabeth Bardolph)**
- **Best Clinic Receptionist**
- The 5<sup>th</sup> category is for **Best Training Provider** for Dr Xavier's training company Innomed Training Academy.

Martin MacKenzie, Clinic Director today said;

*"We are delighted to make the finals again and look forward to hearing the results in December for what has become the "Oscars-like" event for our industry. These awards help to promote and celebrate high standards in an otherwise pretty unregulated industry because they help to focus on excellence in patient care. I would like to thank our team for their contribution to our success and of course thank our loyal clients without whom our entries would just not be possible."*

#### **About Dr Xavier's Medi-Spa Clinic**

The clinic was established over 8 years ago by Dr Xavier and has been voted best UK clinic and finalists a number of times since then. The clinic has become one of Hampshire's largest doctor led medical clinics that specialises in cosmetic skin treatments, skin conditions, medical weight-loss as well as laser hair removal and laser hair restoration (for balding).

For more information contact Martin MacKenzie, Telephone 02380 637 638 or [martin@xavier-g.com](mailto:martin@xavier-g.com)

Dr Xavier is a Board member of the British College of Aesthetic Medicine (BCAM) and the clinic's senior nurse is Elisabeth Bardolph, President of the British Association of Cosmetic Nurses (BACN). The clinic has become one of Hampshire's largest doctor-led medical clinics that specialises in cosmetic skin treatments, skin conditions, medical weight-loss as well as laser hair removal and laser hair restoration (for balding).
